CROSS-COUNTRY AND SNOWSHOE TRAILS, RENTALS AND LESSONS

Ski or snowshoe with us and explore one of the Catskill Mountain's most beautiful winter wonderlands. Catch a glimpse of timid woodland creatures on hemlock shaded-trails in the pine-scented forest. Mountain Trails Cross Country Ski Center is nestled on the northern border of Tannersville, NY, located in the beautiful Northern Catskills. Once frequented by loggers and trappers, Tannersville drew its name from the many tanneries that once flourished throughout the area. Keeping with the belief that natural resources are one of our greatest assets, Mountain Trails is environmentally compatible with the Catskill Mountains.

We offer 35 kilometers of quiet nature trails on hundreds of forested acres that are groomed, track-set, and marked to their degree of difficulty. All of our trails are patrolled by the National Ski Patrol and our PSIA instructors offer ski lessons for all skill levels. We carry all the necessities and equipment for your skiing and snowshoeing enjoyment. Our Sales and Rental Shop is an authorized dealer of Alpina, Salomon, SWIX, and Tubbs.

Our lodge & snack bar, sales and rental shop are open weekends and holiday weeks conditions permitting from 9:00AM to 4:30PM. Enjoy your visit at mtntrails.com!

Whether you choose to spend your day tubing instead of skiing or make it your choice après-ski activity, you're sure to have a good time. Located right at the base of Hunter Mountain below the Kaatskill Mountain Club Hotel, our hill is one of the biggest in NY and features its own surface lift called "the Magic Carpet." Enjoy a thrilling ride down and then relax as the Magic Carpet whisks you back to the top for another exciting slide!
