THE EMERSON RESORT & SPA

Our art collection reflects the mission of the Emerson Resort & Spa as well as the spirit of Ralph Waldo Emerson – that immersion in nature is restorative. The collection you'll find here in the lobby, hallways, restaurants, gathering spaces and rooms represents works from near and far, by both emerging and renowned artists. For more information on individual pieces, scan this QR code or ask for the arts booklet at the Front Desk.

WOODSTOCK

Long before the famous music festival in 1969, Woodstock, New York, was home to what is considered America's first intentionally created, year-round arts colony—founded in 1902 and still thriving over 100 years later.
