General Terms

I am at least 16 years of age (under 18 years of age requires a parent/guardian signature). I authorize Emerson or its agents on its behalf to, automatically and without notice, charge the above credit/debit card for the initial prorated membership dues on the date of my enrollment or within three business days and on a monthly basis thereafter and for all amounts due and owing to Emerson relative to my annual Fitness Center membership.

I understand my credit/debit card will be billed on the 15th of each month for the current month’s membership. If the 15th of the month falls on a banking holiday or a weekend, the monthly draft will be the next business day.

Should the above card be lost or canceled, I will provide Emerson with the necessary information to continue this agreement without interruption. If I fail to pay any membership fees within 10 days of the due date, this membership may be suspended or terminated without notice. I will be responsible for all bank service charges and collection costs including attorney fees.

Pay-in-Full membership will not be refunded upon early cancellation and the membership cannot be frozen or extended. Auto-Bill membership is allowed one membership freeze per year.

I must provide 30-day notice in writing to cancel this monthly billing. Cancellations must occur prior to the following billing cycle. Cancellations after the 15th of the month will not be refunded.

- I have read, understand and accept the Fitness Center Membership information.
- I understand and accept the terms and conditions above applicable to pay-in-full and monthly Auto-Bill payments.
